NOTE: Fraunhofer-Gesellschaft zur Förderung der angewandten Forschung e.V. does NOT accept the following proposed additions which were first inserted in blue colour in „Issue C_revised“, Section 11.11. They are shown as deleted here below and we do not consider them applicable.

Signature The Parties shall make their best effort to inform each other immediately of all circumstances, events and transactions which contravene or are likely to contravene the above provisions.
~~of ii) any violation of applicable laws and regulations and any investigation or legal proceeding initiated by any public authority relating to an alleged violation of applicable laws and regulations with respect to the execution and/or the performance of the Consortium Agreement.~~

Name The Parties

Title - shall make their best efforts to ensure that their own suppliers, sub-contractors, distributors, resellers and service providers comply with stipulations substantially similar of this clause.
~~— inform the other Parties of the identity of and need for any third party they are using or intend to use in connection with any work performed under this Consortium Agreement. Any Party using a third party shall also conduct anti-corruption due diligence on the third party and share the results of the due diligence with the other Parties if required. In the event that any Party does not comply with its commitment under this clause, violate any applicable laws in connection with the work governed by this Consortium Agreement, the other Parties may request that the concerned Party commence and diligently pursue remedial action. If the requested remedial action is not pursued by the concerned Party within fifteen (15) days, then the other Parties will be entitled to terminate this Consortium Agreement for the concerned Party and its participation in the Grant Agreement."~~
